Objective

To obtain a position to develop experience in graphic design.

Experience

Graphic Artist, LV Creative, Las Vegas, NV

[2006-Present]

As a graphic artist, I am in charge of developing website and print ready artwork. I create a wide array of print media such as business cards, brochures, post cards, flyers, signs, banners, graphics, and web content that meet client's specifications. I also operate large format printers, and plotters. I currently hold this position in a freelance fashion, which allows me to further broaden my work experience.

Graphic Artist, Mountaineer Progress Newspaper, Wrightwood, CA

[2007-2008]

As a graphic artist for a newspaper, I was responsible for the creation and design of all print ads and photo editing/manipulation. After completion of these tasks, I was required to develop a suitable layout for the newspaper that allowed both images and verbiage to flow nicely. This position required me to meet strict weekly deadlines and high design quality standards across a broad palette of clientele.

Graphics Assistant, Mountain High Ski Resort, Wrightwood, CA

[2005-2007]

As a graphics assistant, I was in charge of creating collateral and media for the marketing department. I created signs, banners, graphics, and web content that met company standards. As a subordinate of my superior, I was able to take a "passenger's seat" in learning about the art of creative design and refine my skills.

Education

Serrano High School, Phelan, CA

[2004-2008]

I graduated with honors and a 3.8 GPA and received the Presidential Award for Academic Achievement. I was involved with the video editing club and did freelance graphic design for the school newspaper as well as my teachers.

College of Southern Nevada, Henderson, NV

[2009-Present]

I am currently enrolled and looking to obtain a degree focused in the computer arts.

Skills

I am a very diligent worker, self-motivated, and reliable person. I always get the job done and I strive to meet and exceed employer and client needs. I am well versed in most modern graphic development applications on both Mac and PC, and I've been using them for most of my life. These applications include:

- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign
- Adobe Dreamweaver
- Adobe Flash
- Adobe Fireworks

I am also an experienced web designer and musician. If these skills apply to my position, I would be more than eager to apply them.
